PROSPECTUS

B. Sc. NURSING **4 YEAR PROGRAMME**

FATIMA COLLEGE OF NURSING, FATIMA HOSPITAL 35-C, Mahanagar, Lucknow - 226 001

PROSPECTUS

I. Introduction :-

1. Fatima College of nursing, Fatima Hospital, Lucknow is owned and administered by the congregation of the Medical Sisters of St. Joseph, (MSJ) Little Flower Province, Lucknow, a Christian Minority institution.
2. The college offers a course in B.Sc. Nursing(4Yrs.) recognized by U.P State Medical Faculty(Letter No 6805/15), Indian Nursing Council New Delhi (Letter No 02/Jun/2015), and affiliated to Chhatrapati Sahu Ji Maharaj University, Kanpur.

II. Philosophy:-

- * As MSJ we follow Jesus our guru to proclaim the goodnews to the world through healing and bring in wholeness to all.
- * We believe that every person is a gift of God and we accept everyone in need of service irrespective of caste, creed, sex and nationality as brother or sister
- * We believe that nursing education is to provide systematic direction and guidance to the students during the period of professional education and training towards the fullest development of religious, moral, intellectual emotional, physical and social qualities to be good citizens and good nurses.
- * We believe that nursing is a science and art and the curriculum of nursing requires good understanding of scientific principles so that the students

will be able to gain knowledge and skill for rendering comprehensive nursing care in the hospital and in the community.

- * We believe that formation of character and personality along with professional competency shall be the thrust of our professional formation.

III. Aims :-

The aim of the undergraduate nursing program is to:

- * Prepare graduates to assume responsibilities as professional, competent nurses and midwives in providing promotive, preventive, curative and rehabilitative services.
- * Prepare nurses who can make independent decisions in nursing situations. They may be able to facilitate individuals and groups in pursuit of health, function in the hospital, community nursing services and conduct research studies in the areas of nursing practice. They are also expected to assume the role of teacher, supervisor and manager in a clinical/public health setting.

IV. Objectives:-

After completion of the training the nurses will be able to:

1. Apply knowledge from physical, biological and behavioural sciences, medicine including alternative systems and nursing and assess the health status and identify nursing needs, plan, implement and evaluate nursing care for patients that contribute to the health of individuals, families and communities.
2. Develop a sound theoretical and practical knowledge of nursing care at basic as well as advanced level contributing to the promotive preventive, curative, restorative, and rehabilitative aspects of health.
3. Demonstrate understanding of life style and other factors, which affect health of individuals and groups and provide nursing care based on steps of nursing process.

4. Utilize the latest trends and technology in providing health care.
5. Practice within the framework of code of ethics and professional conduct and acceptable standards of practice within the legal boundaries.
6. Communicate effectively with individuals and groups and members of the health team in order to promote effective interpersonal relationships and teamwork.
7. Demonstrate skills in teaching to individuals and groups in clinical/ community health settings.
8. Demonstrate leadership and managerial skills in clinical/community health settings.
9. Conduct need based research studies in various settings and utilize the research findings to improve the quality of care.
10. Demonstrate awareness, interest and contribute towards advancement of self and of the profession.
11. Develop the core values of MSJ healing centres:
 - * Compassionate service – demonstrating motherly patience, meekness of disposition, affability of character, indefatigable toil, ceaseless watching over the patient who is Christ/God to them, cheerfulness.
 - * Respect for life.
 - * Justices to the oppressed.
 - * Reconciliation to one another and harmony to the universe.
 - * Excellence in the Art and Science of Healing.
12. Demonstrate true Christian spirit of service in all aspects of professional practice.

V. Duration of the course
